

SWARNA NISHMITHA

Bapatla, Andhra Pradesh

+91 7842682081 — nishmitha.swarna@gmail.com — GitHub — LinkedIn

PROFILE

Computer Science and Technology undergraduate with strong interest in Artificial Intelligence and Machine Learning. Passionate about solving real-world problems using data-driven approaches and seeking a research internship to gain hands-on experience in AI/ML.

TECHNICAL SKILLS

- **Programming:** Python, C, JavaScript
- **Web:** HTML, CSS, React, Node.js, Express.js
- **Database:** MongoDB, Firebase
- **Tools:** Git, VS Code, Postman
- **Concepts:** Machine Learning, REST APIs, JWT, MVC

INTERNSHIP EXPERIENCE

Generative AI Trainee – Internshala (2025)

- Completed 6-week training covering Python, AI development, and AI integration
- Built projects including AI Recipe Generator and AI-powered Telegram chatbot
- Worked with DALL-E and AI image generation techniques

Cyber Security Intern – Conquer E-Learning (2025)

- Completed 2-month internship on cybersecurity fundamentals and system protection
- Gained knowledge in network security, threat analysis, and secure practices
- Demonstrated strong problem-solving and analytical skills

PROJECTS

Trust Hire – Recruitment Platform

- Developed full-stack recruitment portal using MERN stack for job seekers and recruiters
- Implemented OTP-based authentication and secure login system
- Designed employer dashboards to manage job postings and applications

EduGuard AI – Dropout Prediction System

- Built machine learning model using Random Forest algorithm to predict student dropout risk
- Performed data preprocessing, feature selection, and model evaluation
- Created analytics dashboard for visualization of predictions and insights

Heart Stroke Prediction System

- Developed ML model using Logistic Regression and Random Forest for healthcare risk prediction
- Applied data cleaning, feature engineering, and model optimization techniques
- Focused on early detection to support preventive healthcare decisions

EDUCATION

Bapatla Women's Engineering College	2023–2027
B.Tech – Computer Science and Engineering	CGPA: 8.5

CERTIFICATIONS

- NPTEL – Introduction to Internet of Things
- Generative AI Training – Internshala
- Cyber Security Internship – Conquer E-Learning
